DOUGLAS MERCURY LEADER — this is a real breeding bull and a sure breeder. I have used him on some of my cows and heifers and am starting to get calves from him. They are exceptionally heavy boned calves and will equal the best of quality. All of his half brothers have done well for the McCone Bros. whenever they have shown and sold them.

MISSIE 216th — Bred Feb. 6, 1953 to Brookside Chief 2657779. Brookside Chief is a blocky, solid red bull of our own breeding. His sire, Helfred Bapton Major 23d 2434487, weighed 2020 when we sold him to another breeder and could easily have reached 2400 or more. The dam of Brookside Chief is one of our favorite Augustas, now 12 years old and still in the herd. She is backed by 10 other consecutive Augustas, the first five of these bred by James Bruce. No families in the herd of the late J. L. Reece were held in greater esteem by him than the Missies and the Augustas. This cow's calf will carry their union.

BROOKSIDE CLARET — If you like Goldfinder blood, look at this. On her dam's side, a granddaughter and on her sire's side, a great-granddaughter of Supreme Goldfinder, the \$7,000 International grand champion. Her dam, now 12 years old, is one of our most valued cows and we are parting very reluctantly with this daughter. Our herd must be reduced in number. Bred Oct. 6 to Cedarvale Broadway x2609393 (see his footnote for Mayflower Missie) and she should produce her second calf about five weeks after sale day.

SCHANER LAVENDER LADY 3d — is a dark roan, good brood cow prospect. We have the best calf raised last year from a full sister. If the buyer wants we will take her home and breed it to our imported bull, Westdrum Prince Concert, sired by the 1949 Perth Supreme Champion Craggleton Account. We were informed that our bull's second dam is one of the best cows in Scotland. A full sister to Schaner Lavender Lady.

ADMIRATION'S CHAMPION - a full brother to the \$800 bull I sold in Omaha in 1952. We have used this bull some in the herd and he is very good headed, with a lot of thickness, depth and natural fleshing. His granddam was one of the good old cows that sold in the recent Clausen Bros. dispersion.
